

CALL FOR PROPOSALS

INTERNATIONAL ASSOCIATION FOR ENVIRONMENTAL PHILOSOPHY

Twenty-Eighth Annual Meeting 22–24 May 2024
ONLINE ONLY

The IAEP Executive Committee is excited to announce our 2024 annual meeting. As announced at the 2023 meeting we plan to hold conferences in-person in the spring of odd-numbered years and remotely in the spring of even-numbered years. While we recognize the value of in-person conferences, we are also mindful of the importance of reducing the *environmental impact* of our *environmental philosophy* conferences.

For this year's online conference we invite proposals for individual papers as well as organized panels on any aspect of environmental philosophy.

Papers should be limited to 20 minutes reading time, but presenters will have an additional 20 minutes for discussion following their paper.

Individual Paper proposals: Please send a single-spaced **Word document** (prepared for blind review) including a *proposal* (500–600 words) PLUS a *short abstract* (75–100 words, for the conference program). In the **body of the email**, please include detailed contact information (including physical and electronic addresses) and academic affiliation(s) of the author(s).

Panel proposals (max. 3 papers): Please send **one** single-spaced **Word document** (prepared for blind review) including a title for the panel followed by titles, proposals and both paper proposals (500–600 words) and short abstracts (75–100 words) for each paper as described above. The body of the email should include contact information and affiliations for each author. **Paper proposals will also be judged individually and may be accepted individually without acceptance of the entire panel.**

ALL SUBMISSIONS and **ENQUIRIES** should be sent to iaepsecretary@gmail.com.

Authors may submit only one proposal for consideration. Papers previously published or under review for publication will not be accepted. **Accepted authors must be members of IAEP and registered for the conference by 1 May 2024 or they will be removed from the program.**

\$250 PRIZE FOR BEST STUDENT ESSAY: Students, please indicate in your email if you wish to be considered for this prize. The winner will be announced during the conference.

DEADLINE for submissions: 1 March 2024.

NOTICE OF DECISION: mid-April 2024.
